APPLICATION FOR MEMBERSHIP International Society of Anthroposophic Naturopathy ISAN

I hereby apply for membership as:

- Active member (The active membership includes certification by the AGAHP in anthroposophic naturopathy (AGHAP)[®] according to the certification guidelines and the core curriculum, membership in the „AG in the substantive field of anthroposophic naturopathy“ and thus the General Anthroposophical Society AAG.¹
Annual membership fee for active membership 225 €/241 CHF / 249 \$
- Passive member (alternative practitioner candidate / naturopath in training)
- Passive member (non-certified naturopath, but member of a national professional association recognized by the ISAN).
Annual membership fee for passive membership 185 €/198 CHF / 205 \$
- Support member. *Support members pay a contribution at its own discretion, but at least 60 € / 64 CHF / 66 \$ per year*

To date: _____

I agree to immediately report changes in status from the HPA to the HP of the office.

Please attach the following information to the application:

- Form application form
- Form SEPA procedure
- permit certificate of the health department (copy)
- Confirmation of establishment as a naturopath (copy)
- certificates of qualifications of the methods used (for example, acupuncture, classical homeopathy, dark field therapy, client-centered therapy)

¹ The certified anthroposophic naturopath recognizes its spiritual center, the Free University of Spiritual Science at the Goetheanum, through his / her regular membership in the General Anthroposophical Society. He / she bases his / her work on the mission statement of the Anthroposophic Naturopaths.

He / she undertakes to work in the future on the further development of his / her qualification as an anthroposophic naturopath in the sense of the mission statement and the legal provisions. He / she practices anthroposophic naturopathy (AGAHP)[®].

Location, date

I am informed that the

Anthroposophic medicine is practiced exclusively by anthroposophic physicians and anthroposophic non-medical practitioners exclusively practice anthroposophic medicine.

- The practice of anthroposophic Naturopathy is regulated by the AGAHP as a professional association in consultation with the medical section at the Goetheanum through a certification process.
- The use of the trademark protected by the German Patent and Trademark Office DPMA Anthroposophische Heilkunde (AGAHP)[®] (Anthroposophic Naturopathy) requires the certification by the AGAHP.
- Membership in the AGAHP, membership in the International Society of Anthroposophic Naturopathy ISAN, which includes participation in the "AG in factual field" as well as the membership in the General Anthroposophical Society AAG.

I confirm by my signature that I have taken note of the mission statement, the job description and the professional code as well as the respectively valid statutes of the ISAN and the founding statutes of the AAG and recognize them as binding for me after the admission.

For the correctness of the information: _____

Place, date, signature of the applicant

Form: SEPA direct debit mandate creditor²

I authorize the ISAN to collect payments from my account by direct debit. At the same time, I instruct my bank to redeem the direct debits collected by the ISAN on my account.

Note: I can request reimbursement of the amount debited within eight weeks of the debit date. The conditions agreed with my bank apply here. Method of Payment: Recurring Payment (January for the current year).

- As an active member (certification by the AGAHP possible) I pay a membership fee of 225 € / 241 CHF / 249 \$ per year
- As a passive member (alternative practitioner candidate / Naturopath in training / non-certified naturopath, but member of a national professional association recognized by the ISAN) I pay a membership fee of 185 € / 198 CHF / 205 \$ annually
